Senior Class History

Here we are, Seniors, nearing the end of our high school days, but still remembering the day in 1946 when twenty-four eager Freshmen began their high school days. They were: Vincent Aaker, Frank Adomaitis, Donna Bader, Joan Beaulieu, Tommy Byers, Henry Gluza, Shirley Hvass, Harold Johnson, Theresa Kraimer, Burton Leikvoll, Lois McLellan, Irene Plaza, Nancy Poore, Annette Potter, Fred Purdum, Russell Shanahan, Carl Sokolowski, Jennie Sokolowski, Mary Swentonowski, Ray Winter, Roy Winter, Mary Lou Wishowski, and Phyllis Zastrow.

During the year, three of our classmates left us: Irene Plaza, Fred Purdum, and Jennie Sokolowski.

The class offices were held as follows:

President	Annette Potter
Vice President	Mary Lou Wishowski
Secretary	Phyllis Zastrow
Treasurer	Vincent Aaker

The main event of the year was the initiation by the Sophomores which we all took as good sports, and in return gave them a party. A toboggan party was held north of Kennan. Our first year ended with a picnic at Somo Lake.

After a vacation of three months, we returned . . . this time as Sophomores. We immediately took the opportunity of getting revenge on the Freshmen. That we did, and they didn't look the same jolly Freshmen when it was finished.

Our enrollment for this year was as follows: Vincent Aaker, Frank Adomaitis, Donna Bader, Tommy Byers, Henry Gluza, Shirley Hvass, Harold Johnson, Theresa Kraimer, Burton Leikvoll, Lois McLellan, Nancy Poore, Annette Potter, Russell Shanahan, Mary Swentonowski, Ray Winter, Roy Winter, Mary Lou Wishowski, and Phyllis Zastrow.

Shortly after school began, Mary Swentonowski left us, but we were joined by Joyce Mandy.

The class offices were held as follows:

President	Russell Shanahan
Vice President	Mary Lou Wishowski
Secretary	Theresa Kraimer
Treasurer	Nancy Poore

The main event of the year was the initiation of the Freshmen.

Time passed and then we came back as Juniors. We were no longer considered lower classmen. Some of our classmates left us. They were: Frank Adomaitis, Henry Gluza, and Theresa Kraimer. This left our happy lot at sixteen

The class offices were held as follows:

President	Vincent Aaker
Vice President	Phyllis Zastrow
Secretary	Annette Potter
Treasurer	Donna Bader

The main events which took place during the year were the class play and the Junior Prom, both of which were a great success.

Now we are Seniors and are waiting and enjoying our last high school

days. Our enrollment for this year was fifteen. Soon after school began, Tommy Kowalski dropped out, which made our number fourteen.

The class offices were held as follows:

President	Tommy Kowalski
Vice President	Nancy Poore
Secretary	Vincent Aaker
Treasurer	Shirley Hvass

There were many activities involving the Seniors during the year. We presented our class play, entitled "He Couldn't Marry Five" on March 22. On April 14, we gave our Pre-prom dance with music furnished by Howard Sturtz and His Orchestra. The gym was decorated to the theme of "Deep Purple." The main event of the year was, of course, our graduation. Our class colors were orchid and white and our flower was the Talisman Rose. Our motto was "Not At The Top, But Climbing."

Prophecy of 1950 For 1960

Once upon a time, many, many years ago, there lived, in faraway land, a very wise old ugly witch. So wise was she that she could foretell the future of every person in the world. She lived in an old, tumble down hut, beneath a large cliff. A short distance from this cliff was a magic caldron around which hung a string of golden bells. Every evening just as the sun went down the water would start to boil, and she would hear these bells ringing. Then she would hasten to the kettle, to see the future of many people, in the steam. After a time this old witch died, the magic kettle was not used so often and then only to satisfy some one's curiosity. But as it nears our graduation time, we take the old witch's place, drag the kettle from it's hiding place, set it aboiling and read the future of our graduates in the steam.

- 4 Nanciellen Poore - - Brilliant young messy soprano at the Metropolitan Opera, and is especially noted for her wolf calls.
- 5 Ray Winter - - - Voted the "Little Man With Big Charge" by the International Electrical Union.
- 6 Roy Winter - - - Recently received the Golden Pail Award for his invention which allows farmers to milk by remote control.
- 7 Burton Leikvoll - - The fabulously wealthy inventor of the lazy man's pogo-stick, it jumps by itself.

- 9 Vincy Aaker - - - Internationally known for his recent discovery of the "hot" drill for more painful dentistry.
- 10 Shirley Hvass - - - Chief research scientist at General Electric, now working on pajamas that light up for people who are afraid of the dark.

- 12 Tommy Byers - - - - Pulitzer prize winner for his book, "The Relation Between Shanahan and Norway."

Junior Class History

In 1947, twenty-one Hawkins grade school graduates started their way on a new and different life. They were eager to become high school students, but did not quite know what was in store for them in the form of initiation.

Our Freshman class included: from Hawkins, Donabelle Moss, Lois Zastrow, Marlene Zastrow, Mickey Haugsby, Roger Hammer, Jack Roy, Frank Sisko, Nelmar Viken, Buster Pickard, Duane Rose, Bill Nelson, Ray Lazar, Buster Baker, Alice Sokolowski, Irene Plaza, Raymond Cabak, Johnny Cabak, Andy Dempsey, and Donald Plaza; from Kennan, Marlitt Purdum and George Kokstis.

Soon after school began Alice Sokolowski dropped out. Buster Baker remained a little longer before moving to Eau Claire.

Our initiation produced many funny characters. Among them were Mickey Haugsby dressed as a little girl, Duane Rose in diapers, Roger Hammer as a bathing beauty, and Andy Dempsey as a pirate.

A few weeks later we honored the Sophomores with a return party at which we played games and served a delicious lunch.

Freshman class officers were:

President	Mickey Haugsby
Vice President	Jack Roy
Secretary	Marlene Zastrow
Treasurer	Roger Hammer

Entering high school for our second year, we felt much better about the initiation of the Freshmen. This year we would be on the giving end instead of receiving it.

Our '48 Sophomores included: from Hawkins, Donabelle Moss, Lois Zastrow, Marlene Zastrow, Irene Plaza, Donald Plaza, Raymond Cabak, Johnny Cabak, Raymond Lazar, Mickey Haugsby, Roger Hammer, Jack Roy, Bill Nelson, Nelmar Viken, Frank Sisko, Andy Dempsey, and Buster Pickard. Marlitt Purdum was our only classmate from Kennan.

Our initiation of the Freshmen was the most important event of our school year. Humorous costumes were worn and various rules were given the "Freshies" to obey. The Freshman return party was high-lighted by a treasure hunt that involved the whole town.

Soon after initiation Marlitt Purdum dropped out of school. Irene Plaza and Buster Pickard left us during the first semester.

Class officers for our Sophomore year were:

President	Frank Sisko
Vice President	Roger Hammer
Secretary	Lois Zastrow
Treasurer	Donald Plaza

In 1949 we entered the high school as Juniors. By this time our class had dwindled to twelve students. Our class included: Mickey Haugsby, Nelmar Viken, Bill Nelson, Frank Sisko, Raymond Cabak, Johnny Cabak,

Donald Plaza, Marlene Zastrow, Lois Zastrow, Donabelle Moss, Roger Hammer, and Andy Dempsey, all from Hawkins.

Johnny Cabak left school in the first semester leaving us with eleven students to finish the year.

Our class play "Take It Easy" was presented on November 10 and was attended by a large audience. The cast included nine Juniors and one Sophomore. This was due to a lack of girls in the Junior class.

Roger Hammer was elected class president and in turn Prom King.

Other class officers were:

Vice President	Donald Plaza
Secretary	Mickey Haugsby
Treasurer	Marlene Zastrow

Freshman Class History

On August 21, 1949, eleven shy Freshmen entered the Hawkins high school. We finally found our home room and our class advisor, who is Miss Wood.

Students from Hawkins were: Bud Potter, Darrell Taylor, Janet Mandy, Dorothy Zahurones, and Dorothy Dempsey. South Fork: Jerry Sokolowski, Richard Burdziak, and Raymond Zomcheck. Kennan: Gerald Arndt, Suzanne Banyai, and Donna Cronk.

Later on Dorothy Zahurones and Janet Mandy left, but Floyd Morgan joined us.

Our main event of the year was the initiation party held in September. In the evening we were entertained and a delicious lunch was served.

Class officers for the year were:

President	Dorothy Dempsey
Vice President	Jerry Sokolowski
Secretary and Treasurer	Suzanne Banyai

Class representative for the "Chatter" and annual is Dorothy Dempsey.

Before closing our Freshman class history, we wish to express our most sincere gratitude to the upper classes for their attitude of co-operation toward our class. Through living up to the principles laid down for us, we hope to return to our homes better fitted for citizenship in a free and democratic America.

Initiation

On the morning of September 14, eleven trembling but defiant Freshman were escorted by the Sophomores and Mr. Farrey on a tour of the town. The lipstick smeared faces and somewhat ridiculous costumes of the "Freshies" brought quite a few laughs and caught many an eye.

Upon arriving again at their Alma Mater, they continued bowing and kneeling to the Sophomores as they were requested to do, for the rest of the day.

That evening the final steps of being initiated were taken in the grade school gym.

The "Freshies" were led into the gym blindfolded and barefoot, one-by-one. From a delightfully cool pan of water, onto flypaper and rice, to the lunch table they went. There they were served dainty tidbits such as marshmallows soaked in vinegar, a ball of pepper with a trifle (about a teaspoonful) of peanut butter holding it together, a little chunk of dry bread literally dripping with horseradish, mustard, a little swallow of pure lemon juice, and to top it all off, a gay, sparkling earthworm cocktail.

Then the "Freshies" decided (with a little persuasion from the Sophomores) to entertain the guests. So Bud Potter, with the utmost sincerity, held Dorothy Zahurones' hand and proposed to her.

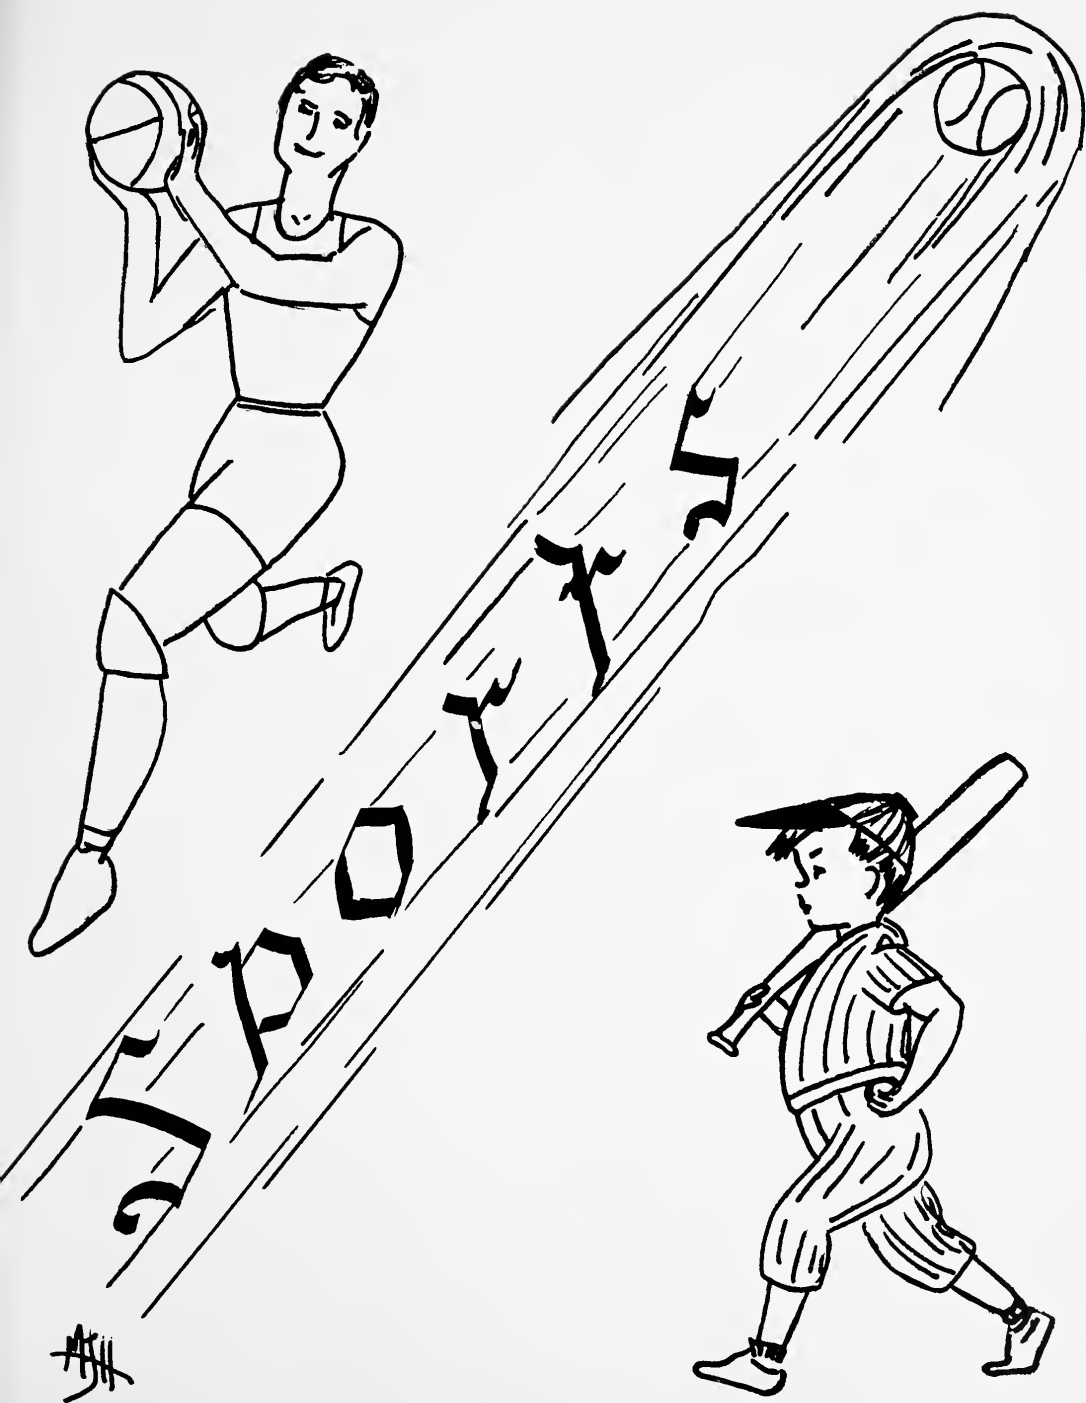

Next, Janet Mandy and Jerry Sokolowski entertained. They got down on their knees at one end of the gym floor, and proceeded (in a most joyful manner) to push thistles across the floor with their noses.

Susan Banyai, Dorothy Dempsey, and Donna Cronk sang that famous, well-known, most-celebrated composition, "Three Blind Mice."

Then Janet Mandy was informed that she was tired and had better get some rest, so Jerry Sokolowski cuddled her in his arms, and rocked her to sleep.

Dorothy Dempsey and Bud Potter received the prizes for being the best sports.

To end it all, a lunch was served by the Sophomore lunch committee.

Trophy Case

Another welcome addition to the appearance of the school is the new trophy case. We especially appreciate it because it was given in part in memory of Mickey Krings.

The boys determined to bring home a fitting trophy and went on to win first place in the Flambeauand Conference. The grade school added their laurel - - - the trophy they won in the tournament at Tony. In the future, we hope this collection grows tremendously.

Score Board

With twinkling red buttons our new scoreboard came to life on basketball nights to rack up winning scores for the Hawkeye team. Though it arrived late in the season, it was nonetheless welcome. The added attraction of this flashy visitor is that no longer does one have to risk a strained sacroiliac in order to discover the score. Next year we hope to keep the board busy flicking up those winning scores for the Hawkins cagers.

BASEBALL

First Row: (Left to Right) Mickey Haugsby, Vincent Aaker, Roger Hammer, Frank Sisko, John Check, Russell Shanahan, Donald Plaza.

Second Row: Bill Nelson, Nelmar Viken, Harold Johnson, Richard Poore, Coach Hilliard.

HAWEYES' 1950 BASEBALL RECORD

On September 2, 23 men reported for baseball practice. By September 16, we met our first opponent, Glen Flora. The starting line up was as follows:

1st Base	Russell Shanahan
2nd Base	Bill Nelson
Short Stop	Mickey Haugsby
3rd Base	Don Plaza
Left Field	Richard Poore

We won our first game 18 - 3.

The same lineup returned for the following games although somewhat rearranged. Sisko, who had been working, returned to play with us against Holcombe.

Our leading hitter was Bill Nelson, who had a record of .589. This is also high for the Flambeauand Conference this year.

We had a very successful year, winning 4 out of 5. We lost to a very strong Tony team, but came back to win over Holcombe, Hannibal, and Glen Flora. The schedule is as follows:

Basketball In Review

The first practice session was held Monday, October 17. Nine lettermen and last year's B team returned plus a couple of freshmen. Returning lettermen included Vincent Aaker, Elgin Krings, Russell Shanahan, Nelmar Viken, Roger Hammer, Bill Nelson, Mickey Haugsby, Frank Sisko, and Harry Johnson.

After a few weeks of practice, the first ten were picked. They were: Mickey Haugsby, Bill Nelson, Andrew Dempsey, Frank Sisko, Harry Johnson, Vincent Aaker, Elgin Krings, Russell Shanahan, Roger Hammer, and Nelmar Viken. The first five included Viken and Hammer at guards, Shanahan at center, and Krings and Aaker at forwards.

Our team was well rounded out with every man a scorer and a feeder. The team averaged 5 feet 9 inches and the starting five average 5 feet 10 inches, Hammer being the tallest man at six feet and Haugsby being the shortest at five feet six.

Our first game was held at Winter, November 15. We scored an overwhelming 62 to 29 triumph. Everyone saw action that night with all of the men getting into the scoring column except Nelson who was injured in the first half. Shanahan at center led the scoring with 17, Hammer collected 14, and Krings rang the bell for 10.

The first home game was held November 28. We engaged the Draper five and came out victorious 51 to 33. Hammer and Shanahan led the attack with 11 points each.

We traveled to Weyerhauser December 2 and played our first conference game. Weyerhauser fell under our attack 37 to 26. Vicken was high with 11 points. He was followed by Aaker and Shanahan with 9 each.

We held Gilman to three field goals when we traveled there and downed their team 45 to 15. Shanahan set the pace with 16, followed by Aaker with 12.

December 8 found us at home again, playing Glen Flora. This win was by a 56 to 33 count. In one of the best games the Hawkeyes played, Shanahan was high with 17, closely followed by Hammer with 16.

Winter came here December 10 for their return game. Again we conquered Winter, with Shanahan dumping in 24 points and Aaker 9. A 24 point margin separated the two teams at the end of the game, the score being 55 to 31.

Hawkins made it seven in a row when they dumped Hannibal 56 to 22 on the court at Jump River. Shanahan led the attack with 20 points, followed by Krings and Hammer with 12 each.

December 20, we traveled to Tripoli and were dropped from the ranks of the undefeated 41 to 37. With Viken out of action and the breaks against us, we couldn't match the classy Tripoli five. Shanahan led the fallen Hawkeyes with 23 points followed by Johnson with 8.

Tony came to Hawkins undefeated in conference play, as were the Hawkeyes. Hawkins came through with a hard earned victory 43 to 33. Shanahan and Hammer led the attack with 15 and 10 points respectfully. This gave Hawkins undisputed first place in the FlambeauLand conference.

Gilman came to Hawkins on January 10, to fall before Hawkins 60 to 31. It took Hawkins quite a while to get going and as a result were behind

12 to 6 at the end of the first quarter. Shanahan had 16 points, followed by Hammer and Aaker with 13 and 12 respectively.

January 12, we traveled to Holcombe and trounced them 56 to 31. With Viken still out of action, Sisko played and stood out as he dumped in 18 points. Hammer followed closely with 16.

Weyerhauser traveled to Hawkins January 19 and tasted defeat 47 to 16. They played a stalling game, but Hawkins finally got rolling with Shanahan and Sisko leading the attack with 16 and 13 points respectively.

January 25, Holcombe came here only to go down to defeat 52 to 36. Hawkins took an early lead and never was headed. Shanahan set the pace with 25 points. Aaker followed with 10.

We traveled to Glen Flora, January 27 and came home with a 43 to 25 victory. But it was only after a close scrape and only by holding Glen Flora without a point in the last quarter that we were assured of victory. Sisko and Hammer led with 12 points each.

We hit the road again, traveling to Draper and defeating them 33 to 23. Behind at halftime by 3 points, the Hawkeyes settled down to business and played ball in the second half, coming through with a hard earned victory. Aaker was high with 10 points, Shanahan next with 9, and Sisko with 7.

February 3, Hannibal came here and fell by the wayside 70 to 13. Hawkins started fast and furious, taking a 25 to 4 lead at the quarter. Fed by all nine men, Shanahan set a new conference scoring record by dropping 47 points through the hoop. This was also a state record for the year.

Tripoli came here February 7 and the Hawkeyes tasted sweet revenge by defeating them 44 to 40. The scoring was very well divided, Shanahan getting 12, Aaker 10, Hammer 9, Sisko 8, Viken 4, and Krings 1.

We traveled to Tony February 9 and returned with another one under our belt. Final score, Hawkins 50, Tony 32. Sisko and Shanahan paced the winners with 16 and 14 points respectively.

We wound up the season with a 49 to 30 victory over the Bruce boys. Hammer led with 12 points, Shanahan followed with 11, Krings got 9, Aaker 8, Sisko 7, and Viken 2.

This finished our regular season with 18 wins and 1 loss. All told it was a very successful basketball season. The Hawkeyes were champions of the Flambeauland conference and set three new records in it:

Most points in one season	510
Most individual points in one game (Shanahan).....	47
Most individual points in one season (Shanahan).....	177

Flambeauland Play-Off

Hawkins, while defeating Tony twice during the regular season just beat Tony and that was all. Tony took an early lead and was ahead until the official time out. Hawkins stalled the last 2½ minutes. The final score was 38 to 37. Shanahan paced the Hawkeyes with 19 points, followed by Aaker with 8.

Phillips Tournament

February 23, we traveled to Phillips and met Tripoli. Behind at half-time, the Hawkeyes came through to outscore the Tripoli five 30 to 9 in the second half. When the final whistle blew, Hawkins was ahead 45 to 25. Shanahan was high with 17 points, Hammer next with 8.

We traveled to Phillips for our second game of the tournament and were defeated by Rib Lake. It was all tied up at the first quarter 15 all. The final score was 39 to 36 in favor of Rib Lake, who went on to win the tournament. Shanahan led with 14, Aaker followed with 7.

Hammer and Shanahan were placed on the all-tournament team.

Basketball Team Goes To State Tournament

Due to the generosity of the people of Hawkins, the basketball team got a 3-day trip to Madison as a very fine finish to an excellent basketball season. The team saw some very fine games and learned many things which will help to improve their style of ball. The trip was very enjoyable as well as educational. They stayed at very fine rooms and enjoyed themselves very much even if they did have some trouble finding their way around the city.

THE CORONATION

The prom was held April 28, 1949 with music by Howard Sturtz and His Swing Kings. Vincent Aaker was our king, and he chose Phyllis Zastrow as his queen. The gym was beautifully decorated to the theme of "Make Believe" with pastel colors and a quaint birch bridge as the centerpiece. Everyone had a very enjoyable time.

Junior Class Play

On November 10, the Junior Class of '49 presented their class play entitled "Take It Easy." The cast consisted of ten players who were as follows:

Mrs. Amanda Highgate, a very forgetful, eccentric type who wanted to keep up with the Joneses Marlene Zastrow

Nancy Highgate, Mrs. Highgate's attractive daughter, quite the opposite of her mother Lois Zastrow

Tom Laurence, an artist of the modern type, very much in love with Nancy Roger Hammer

Lon Torence, a house painter, rather slow-witted and always hungry Andy Dempsey

John Florenz, an unknown quantity Nelmar Viken

Florence, the maid, tending to be coquettish and the victim of a queer malady, "Pocketitis" Donabelle Moss

Philip, the butler, who seems rather bewildered by the hair-brained mistress for whom he works Don Plaza

Mary, the cook, very brusque, outspoken, and extremely quick-tempered Jenny Winter, a Sophomore

Arthur, the yard boy, mischevious, and continually irritating Mary Mickey Haugsby

Beagle Jones, the detective, whose furtive action do not carry out his loud boasts Frank Sisko

The play was a great success, and the whole cast enjoyed playing their parts. They were rewarded by many nice comments.

This small but important force of endeavor has reaped the harvest of individual initiative this year. Of eight students participating in league competition, two walked away with honors March 21 at Glen Flora.

Andy Dempsey shook the rafters with his humorous declamation "The Big Game", while Marlys Hvass displayed exceptional dramatic technique in stilling the audience with "The Old Woman and the Clock", a serious declamation.

Others participating were:

Maxine Seegar	"Why Don't You Tell Me Those Things"
Dorothy Dempsey	"Burial Before Death"
Louis Banyai	"My Paper Doll"
Donabelle Moss	"A Gold Star Mother"
Suzanne Banyai	"Cheaper By The Dozen"
Bob Hammersmith	"At The Swimming Pool"

At this writing, the Hurley Meet has not yet been decided, but we feel sure that Hawkins will give a good account of itself there.

Our thanks to all the students who represented the school. This is an activity in which one can gain even if one loses. We sincerely hope that all who participated this year will return next year, augmented by as many more.

Senior Class Play

March 22, the Senior Class of "50" presented the comedy "He Couldn't Marry Five". The cast of characters were:

- Connie Barton—A handsome vital mother, an effusive faddist of forty-five Annette Potter
- April—The oldest daughter and a vivacious young miss of twenty-two.
A pretty girl of temperament and charm, simply "bugs" about acting and determined to take up the stage as a career.
..... Nancy Poore
- May—Who is just twenty, pretty, with a one-track mind and a seething ambition to become a great ballerina Donna Bader
- June—The artist of the family, a pert and also pretty but temperamental little miss of nineteen. Shirley Hvass
- Taris—She is eighteen-and-a-half. Sober and reliable, methodical, deadly serious, the type who puts her heart and soul into her work Lois McLellan
- Leona—The problem child, a seventeen-year-old, who loves horses and the great outdoors. A boisterous little hoyden, who rants and raves and sulks when anything displeases her. Phyllis Zastrow
- Etta Barton—Detests men, and does everything within her power to postpone the day when her nieces will fall in love Mary Lou Wishowski
- Ralph Barton—The father of the five girls, a very worried father, too, with such a large family to support. Harold Johnson
- Granny—A loveable, soft-spoken person, intelligent and kindly old lady with beautiful white hair. Marlene Zastrow
- Donald Regan—A good-looking, well set-up young man of twenty-two, who falls in love with all five daughters. Vincent Aaker

The cast was very successful and the audience found many laughable parts. The class received many nice comments.

Our Grade Basketball Team

The early part of the basketball season last fall found us practicing every noon-hour with at least 15 players turning out. Mr. Hilliard was our coach and taught us many fine points about playing. Getting off to a late start with our first game being December 19th, we were still able to bring in 11 victories and no losses up to the time of the tournament.

The following is a list of our games:

December 19	Glen Flora 5—Hawkins 28	There
January 9	Weyerhauser 17—Hawkins 23	There
January 13	Tripoli 28—Hawkins 44	Here
January 27	Glen Flora 16—Hawkins 31	Here
February 1	Weyerhauser 21—Hawkins 26	Here
February 7	Brantwood 15—Hawkins 23	There
February 7	Tripoli 25—Hawkins 33	There
February 10	Tony 15—Hawkins 28	Here
February 13	Tony 17—Hawkins 18	There
February 16	Ladysmith 17—Hawkins 42	There
February 27	Ladysmith 29—Hawkins 33	Here

Then on March 2 we entered the Tony Gold Medal Tournament and defeated our first opponent, Ingram, by the score of 28 to 8. This win placed us in position to play Ladysmith the next evening whom we took easily 33 to 17. The finals on the evening of March 4 found us playing for the championship with Tony and here we received our first loss of the entire season. Being on the short end of a 26 to 30 score, we received the second place trophy.

We are quite proud of our season and wish to thank Mr. Hilliard for his excellent coaching and everyone else for their fine support. The cheerleaders also deserve much credit for their grand performances at the games.
